SWEPSONVILLE

April Lynn Carver, Elizabeth Hayden-Harman Nursing Scholarship

ACC enrollment is up 18% this semester, an increase of about 850 students. Many students are from families affected by unemployment or underemployment. Thank you to the many organizations and individuals in our community who help these hard-working students receive a college education.

A better educated workforce helps our community as a whole. Working together, we can help turn this economy around.

Jerry Bailey

Jerry Bailey,
ACC Foundation Board President
Community Market President, Wachovia
